eating was over, the 'hot scotch," mystic symbol of fraternal feeling, binding all hearts together, was introduced along with the loasts.

The first tonst, "The day we celebrate and a' what honor it," was felicitously responded to by the sweet singer, Mr. James Kirkland.

The speaker recalled many pleasant memories of other days, when he was a lad in Souland. He spoke with warmth of the fine Scottish scenery, and recalled the time when he belonged to a walking club, composed of sturdy, spirited lads, who used to visit the said that he could bear testimony to the hearty feeling which pervaled America toward England. If anybody, he said, should go, as he did, into the Western States, they would see the attractions they offered for certain classes of the surplus population of Great Britain. He recommended the farmers to go there.

spond to the toast of "The Queen," and like everything that the Judge does, it was done well. He spoke of Victoria as the worthiest of the Hanoverian line, and said that she had been spared the sharp criticism passed upon her ancestors. Though she had passed through stirring sponse of passed through the sponse of the spo through stirring scenes, she retained the af-fection of the people. He compared her to found her more the favorite of her people.

Mr. J. C. Maccabe's toast was "The
President of the United States." He began
by saying he had hoped that by the time his turn came around the crowd would be ine-briated, and consequently not able to pass criticism on his speech. He spoke of America as the dream of patriotic Scotchmen realized, and eulogized the office of President as a proof of the self-poise and smoothness of the nachinery of the Government. There were three more toasts down, namely:
"The Press," by Captain Harvey Mathes,
who deserted, however, before his time came;
"The Lasses," by I. M. Hill, and "Our Dead,"
